

If She Accepts You

The day won't be far distant when you will be confronted with the grocery problem.

And we'll wager you will find it a mighty hard proposition, too.

Start right—get acquainted with us—we'll help smooth the thorny path of housekeeping for the newly-wed couple.

We will serve

you both economically and promptly—we will keep your wants supplied at the minimum cost.

For a young couple, as a rule, must start on a small scale—we supply the wants of the small family as readily as the demands of the largest hotel.

We have

a clean store, clean goods and a clean reputation.

We started right and we have kept to the right ever since starting.

Starting right

is half the battle—we'll fight two-thirds of your starting half if you will buy your groceries here.

May we have the pleasure?

HAWAII'S DUAL POLICE

Question to Be Tested— Week's Events on Big Island.

HILLO, Sept. 8.—At the last session of the board of supervisors a motion by Fernandes was carried, the intent of which is to have settled once for all which has the power of appointing policemen—the sheriff or the board. There are now two sets of police officers throughout the county. The motion was that a committee of three supervisors, one of them being the chairman, be appointed by the chairman to take all necessary legal proceedings to test the legality of the appointments by the board of supervisors and by the sheriff of the county of Hawaii of certain police officers and other subordinate officers of the county of Hawaii now acting as such.

The question of the legal powers of circuit judges to naturalize applicants for American citizenship has been raised in the Kauai murder case before Judge Parsons of Honolulu, and it will probably be taken to the Supreme Court. C. S. Smith, attorney for the defendant, has challenged the indictment on the ground that the grand jurors who found it were not citizens. A number of them are Portuguese who were naturalized in Territorial circuit courts, and there is reported to be considerable indignation among the Portuguese over the claim that their citizenship is not genuine.

Since Saturday afternoon, a native fisherman by the name of Kaluahala has been missing from his home near Hakalau. He left early in the afternoon for the beach with fishing tackle and a bag to gather opihii, a shell fish that grows on the rocks. He did not return at night, whereupon a search was instituted, without finding the missing man. His fishing pole was discovered on the beach and it is supposed that he was washed from the rocks and overcome by the heavy surf which runs along the Hakalau coast. He was married, leaving a wife, who resides near Hakalau.

Word has been received through A. Richley, who is now in the East in the interest of the koa lumber trade, that the United States government will utilize only Hawaiian woods for interior finishing of public buildings in Hawaii. This was the decision reached after an interview by Mr. Richley and Supervising Architect Taylor. In other words, all specifications for the construction of a federal building at Hilo and Honolulu will provide for the employment of Hawaiian woods for interior effects.

On Saturday afternoon, Rev. Father Wendelin united in marriage Miss Emma Elderts, daughter of Captain J. E. Elderts, and Jos. K. Pau, an overseer on the Pihonua plantation.

As an evidence of the need of a school for higher education on the Big Island the steamer Kinan last Friday carried nineteen girls and boys from Hilo to Honolulu who will enter various educational institutions of the capital city.

The Japanese laborers employed at the Hilo Sugar Co., through the assistance of Manager J. A. Scott and other kindly disposed gentlemen, have built a large Japanese schoolhouse between Hilo and Wainaku. The school, which is to be known as the Wainaku School, was dedicated Sunday afternoon, when a large gathering of pupils, parents and friends assembled to witness the ceremony.

J. M. Gouvea, Jr., the blacksmith, and wife, who left Hilo about a year ago to take up his residence at the coast, have returned. Mr. Gouvea is employed in the Volcano Stables horse shoeing shop.

Mrs. C. E. King and Mrs. F. M. Wakefield were passengers on the Kinan from Honolulu on Wednesday. Both ladies will teach in the Olua schools. Mrs. King is the wife of Normal Inspector King.

Mrs. J. Kai, who has been in the hospital for the past two weeks, returned home yesterday. Geo. H. Williams is improving rapidly and will soon be home. Dwight Baldwin, who has had a recurrence of his trouble, was taken to the institution again on Tuesday. His father returned from Honolulu yesterday.

The night before the departure of Mr. Ross, the retiring manager of Hakalau Plantation, for the coast, the employees of the plantation called upon him and Mrs. Ross and surprised them with very handsome tokens of the esteem in which they are held. The remembrance to Mrs. Ross was a handsome solitaire pearl ring and to Mr. Ross a suit case of alligator leather furnished with all necessary toilet articles for a gentleman. The tops to the bottles and the ornaments on the brushes were of sterling silver. The gifts were very handsome and the visit of the employees a genuine surprise.

G. F. Affonso has recovered from an attack of diphtheria.

There is a rumor to the effect that Florentina Souza will soon return to Hilo.

The Honolulu term of court ended on Monday and the judge has returned to

Hilo. The jury in the case of the Koreans charged with burglary disagreed and were discharged.

Jacoo Cooper of Kona is spending the week in Hilo. Mr. Cooper says the Kona railway project is by no means a dead issue.

WIDOW BARETE'S DOWER.

William Savidge, trustee of the Barete estate, answered the motion presented by W. C. Achi, attorney, to set aside widow's dower. He admitted that he had in his possession \$2529.22 in cash and a mortgage of \$1000. He denied that he was wrongfully and unjustly withholding from the petitioner the possession of her one-third part thereof as her dower, but said he was holding all of the property subject to the order of the court. Computing on the basis of the former trustee, Kelllett's, accounts as reported on by M. T. Simonton, master, he found the widow's share of net income in full, after deducting commission, to be \$1321.08. This was subject to a claim by the Territory of Hawaii for \$919.85 taxes for 1901 to 1904 inclusive against the estate. The taxes for 1905 were not paid but the trustee was advised to pay them, and was ready and willing to do so as soon as his statement was acted upon by the court. Judge Robinson has made an order authorizing the payment of dower on the basis recommended.

LIQUOR QUESTION BOTHERS MAUI

The Executive Committee of the County Committee held a meeting on Monday at which were present Hon. H. P. Baldwin, J. N. K. Keola, R. A. Wadsworth, Edgar Morton, Hugh Howell, Guy Goodness, O. Tallefson by proxy to Mr. Wadsworth and S. Kapu by proxy to J. N. K. Keola, and A. N. Kepoikai chairman of the Precinct Club.

H. P. Baldwin called the meeting to order and J. N. K. Keola was appointed secretary pro tem.

A motion was made by Howell to start an employment agency to be in charge of S. E. Kaue, salary \$50.00 per month. Carried.

A resolution recommended to the Board of Supervisors that the prisoners used for road work, be moved from district to district within the county whenever permission is granted by the Territorial High Sheriff.

R. A. Wadsworth, moved that the chairman write to Governor Carter in relation to the liquor licenses in the different localities in Maui County and that the Territorial Treasurer be requested to consult with the County Sheriff in regard to issuing licenses in the districts of Maui County.

The Committee also recommended to the Board of Supervisors that they appoint a special humane officer for the town of Waiuku and that the sheriff give special instruction to his police of the law regarding cruelty to animals.

It was also the sense of the committee that the Governor and Superintendent of Public Works be urged to arrange for the immediate completion of the jail and fire station; that the partial construction of the present jail leaves the temporary jail quarters in bad shape.—Maui News.

SOUTH AFRICAN CARPENTER CURED BY CHAMBERLAIN'S COLIC, CHOLERA AND DIARRHOEA REMEDY.

Mr. Geo. Taylor, a carpenter at Port Elizabeth, Cape Colony, who had a very bad attack of cramp colic and dysentery, says: "I was so bad I had to go to bed, when a friend of mine gave me two doses of Chamberlain's Colic, Cholera and Diarrhoea Remedy and I got better at once. The third dose completely cured me. I am never without it now." This remedy is for sale by Benson, Smith & Co., Ltd., Agents for Hawaii.

BAND'S SUCCESS AT PORTLAND FAIR

Henry E. Dosch, had charge of the exhibits from Oregon and Washington at the Osaka Exposition three years ago and in passing through Honolulu was Ed. Dekum's guest. While in the city he heard the Hawaiian band, also the quintet club, which impressed him very much, and he told Mr. Dekum that he would do all he could to secure an engagement for the boys at the Lewis & Clark fair. The following letter shows how pleased Mr. Dosch is at the result of his labors in securing Berger and his band:

Portland, Oregon, August 30, 1905.
Mr. Edward Dekum, Honolulu, T. H.
My Dear Edward: It affords me great pleasure to congratulate you and myself incidentally on the success of the Royal Hawaiian band. I sincerely regret that you could not have been here to see the success that they have scored. For the first time in the history of our Exposition all of the reserved seats in front of the bandstand have been filled evenings. The band has become so popular that we have concluded to keep them for another week or ten days, so as to fill out the entire time originally allotted to them. This can not help but be gratifying, not only to yourself but to all the people of Honolulu and Hawaii. They are simply "it," and Capt. Berger is as happy as a clam at high tide. I have seen the people stand right up, the men waving their hats and the ladies hailing, so you see how they enjoy it. I am mailing you a few programs showing you the music that they are giving us. For the first time I have stolen away from my office every afternoon for an hour to go down and enjoy the band, and you know that means a good deal.

Hoping that you have arrived home safely, and adding kindest regards to yourself and my Honolulu friends, I am,

Cordially yours,
HENRY E. DOSCH,
Director of Exhibits.

Woman's Kidney Troubles

Lydia E. Pinkham's Vegetable Compound is Especially Successful in Curing This Fatal Disease.

Of all the diseases known, with which women are afflicted, kidney disease is the most fatal. In fact, unless early and correct treatment is applied, the weary patient seldom survives.

Being fully aware of this, Mrs. Pinkham early in her career, gave exhaustive study to the subject, and in producing her great remedy for woman's ills—Lydia E. Pinkham's Vegetable Compound—was careful to see that it contained the correct combination of herbs which was sure to control that fatal disease, woman's kidney troubles. The Vegetable Compound acts in harmony with the laws that govern the entire female system, and while there are many so called remedies for kidney troubles, Lydia E. Pinkham's Vegetable Compound is the only one especially prepared for women, and thousands have been cured of serious kidney derangements by it. Derangements of the feminine organs quickly affect the kidneys, and when a woman has such symptoms as pain or weight in the loins, backache, bearing down pains, urine too frequent, scanty or high colored, producing scalding or burning, or deposits like brick dust in it, unusual thirst, swelling of hands and feet, swelling under the eyes or sharp pains in the back running down the inside of her groin, she may be sure her kidneys are affected and should lose no time in combating the disease with Lydia E. Pinkham's Vegetable Compound, the woman's remedy for woman's ills.

The following letters show how marvelously successful it is.

Lydia E. Pinkham's Vegetable Compound; a Woman's Remedy for Woman's ills.

Mrs. Samuel Frake, of Prospect Plains, N. J., writes:
Dear Mrs. Pinkham:—
I cannot thank you enough for what Lydia E. Pinkham's Vegetable Compound has done for me. When I first wrote to you I had suffered for years with what the doctor called kidney trouble and congestion of the womb. My back ached dreadfully all the time, and I suffered so with that bearing-down feeling I could hardly walk across the room. I did not get any better, so decided to stop doctoring with my physician and take Lydia E. Pinkham's Vegetable Compound and I am thankful to say it has entirely cured me. I do all my own work, have no more backache and all the bad symptoms have disappeared. I cannot praise your medicine enough, and would advise all women suffering with kidney trouble to try it.

Mrs. J. W. Lang, of 626 Third Avenue, New York, writes:
Dear Mrs. Pinkham:—
I have been a great sufferer with kidney trouble. My back ached all the time and I was discouraged. I heard that Lydia E. Pinkham's Vegetable Compound would cure kidney disease, and I began to take it; and it has cured me when everything else had failed. I have recommended it to lots of people and they all praise it very highly.

Mrs. Pinkham's Standing Invitation.

Women suffering from kidney trouble, or any form of female weakness are invited to promptly communicate with Mrs. Pinkham, at Lynn, Mass. Out of the great volume of experience which she has to draw from, it is more than likely she has the very knowledge that will help your case. Her advice is free and always helpful.

Old Kona Coffee!

No better coffee is obtainable in Honolulu than MAY'S OLD KONA COFFEE.

The reason of its supreme excellence is its age. Most coffee is sold too new. The new coffee bean contains certain acid which does not agree with rheumatic subjects.

Good coffee is necessarily old coffee and May's Old Kona Coffee was bought years ago and has been carefully stored since then.

Another fact in its favor and factor in its flavor is that the coffee is roasted and ground fresh every day.

PRICE 25 CENTS PER POUND.
